## **CS3 Technology Named to Sage Million Dollar Club for 2009**

*CS3 Technology Achieves Million Dollar Status for Second Consecutive Year*

**Tulsa, OK – November 9, 2009 – CS3 Technology**, a Sage North America business partner specializing in the sales, installation, and support of Sage MAS 90, Sage MAS 200, Sage MAS 500, Sage Abra HRMS, Sage FAS, PFW by Sage and other Sage software solutions, has been named to the Sage North America Million Dollar Club for eclipsing a million dollars in revenues to Sage the past fiscal year ending September 30, 2009. Sage recognizes CS3 Technology for the substantial contributions made to the overall success of Sage and the mutual customers they serve.

Million Dollar Club recognition is earned by Sage Business Solutions partners representing a host of segment-leading brands focusing on small and medium size business solutions for enterprise, human resource, customer relationship and other strategic business management systems. CS3 Technology is one of 44 Million Dollar Club recipients and a top-selling Sage Business Partner in North America. In addition, CS3 Technology ended the year in the list of top five business partners for the Sage Abra Suite HRMS solution in North America.

“It is through the combined efforts of many individuals and many business partners that Sage is able to provide our customers with top quality products and services,” said Jodi Uecker-Rust, president Sage Business Solutions division. “We extend our sincere congratulations to CS3 Technology in recognition of joining the Sage Million Dollar Club for 2009.”

CS3 Technology’s CEO Gary Crouch said, “We are pleased that we have met the million dollar milestone again this year. We anticipate 2010 will be even better as we continue to earn the opportunity to serve our great clients. This achievement is really indicative of the great value our whole team delivers every day. I am very proud of their efforts.”

### **About CS3 Technology**

CS3 Technology offers complete business management consulting services to companies wanting to increase internal efficiencies through proven technology applications. CS3’s two-pronged approach features up front due diligence ensuring a proper recommendation and a detailed methodology ensuring a successful implementation. CS3’s background spans several decades of experience centered on accounting processes, tax compliance, employee benefits and information technology. Our consultants have a shared skill set of relevant experience and product expertise. CS3 has selected to work primarily with products developed by Sage Software.
